### SUNSCREEN

In order for us to apply sunscreen to your child here at school, you **must** fill out a medication form. Please stop by the front desk for a form. Remember...

You apply the sunscreen before bringing your child to school. Thank you for supplying one of the following sunscreens for your child to use at school, all of which are nut oil-free:

- ☛ Neutrogena Kids
- ☛ Coppertone Water Babies
- ☛ Banana Boat Kids

### ACTIVITIES

Please remember that your child will not move to his/her new grade level until the first day of school on August 8<sup>th</sup>.

When filling out the activity form, you will select the activities for the grade level he/she completed during the 2016 – 2017 school year.

### VACATIONS

Many of our BDS families get to take a little time off for a vacation in the summer. Be sure to communicate this to the office **in writing**.

Whether you are having a 'staycation' or leaving town, please consider helping your child send a travel postcard to his/her friends at school. The hallway wall just to the west of the office will be dedicated to "Vacation Memories" this summer.

Our address at Brookridge is:

**9555 Hadley  
Overland Park, KS 66212**

Dear Brookridge Parents,

I would like to invite you to be a guest speaker at Brookridge. Our kiddos would love to hear about your travels, your hobbies, your interesting job, your musical talents. For instance are you a chef, a musician, a graphic designer, an engineer, a Bobcat driver, a zoo docent, a woodworker, a photographer? It would be wonderful if you would share your experiences.

Do you have something unusual you could bring to school for 'Show and Tell'? We have had a parent bring a cement mixer and the children were fascinated. They loved it!

You could talk to your child's class or any class in the building. With children from 2 ½ years old through fourth grade here this summer, I'm sure I could find you an audience!

Please think about it and let me know what works best for you.

With thanks,  
Mrs. Stewart

## ***Introducing a new and exciting Optional Activity!***

### Arte with Susan Parsons

Arte is a children's art program, offering a positive and relaxed atmosphere for children 3 – 9 years of age. Each artist develops their own style as they explore their creativity and the elements of design. Working in pen, colored pencil, watercolor, acrylic, and pastel, beautiful pieces of art and gifts are created.

The Pre-K, Kindergarten and First Grade will experiment with mixed media to create different art projects, like stationery and watercolor paintings. The Second, Third, and Fourth Grade will create an accordion book in a box. This clever and creative project will be a wonderful keepsake.
